The Brunswick artificial ice plan will be open Saturday for inspection by all who care to see the process of making the purest ice to be had. Manager Kinkhorst will keep open house all day at his bottling works, ice plant and ice cream manufacturing establishment and entertain with samples of his make as well as show all visitors the process and all that his big plant contains. It will be interesting to many to see through the big tile and brick works.

Mr. and Mrs. John Hayward of Dalton entertained Mr. and Mrs. John Coy Sunday at the Cut-off.

The new route, County seat highway, State highway, Capitol trail and Keytesville-Brunswick boulevard will soon be in fine shape. Much work is still necessary to make it what it will be made, but when completed, it will be better by far than the first chosen via Dalton. That route could have been made excellent, but for some reason was allowed to remain in miserable condition most of the time and hence the commissioners made the change.
